Comprehensive ❤-Health Program Planning
1 Year Implementation Plan Worksheet

Program: _____

4 Year Outcome Objective: _____

1 Year Outcome Objective:
(how far towards the 4 year objective is it reasonable to get this year?)

What should the audience KNOW at year end to reach the Outcome Objective?

What should the audience be DOING at year end to reach the Outcome Objective?

What supports should be in place for the audience by year end to reach the Outcome Objective?

Implementation Objectives:
(In order to accomplish the outcomes, what needs to be accomplished during this year and by when?) There are 12 blanks if an accomplishment per month seems reasonable.
